

— On the Horizon! —

“All the Cal 20 news fit to be posted on your refrigerator.”

Fleet meeting

Tuesday, May 3, 1930

Pot luck dinner with the Night Watch fleet at 7:00 pm, to be followed by the ever popular Cal 20 meeting at 7:30 pm. Bud Gardiner Bowl and other mind-boggling Cal 20 news will be discussed, then, by popular demand, we'll have more racing rules scenarios!

Twilight Series continues

We continue to have a great turnout on Thursday nights.

Race Committee

Thursday, May 12th

Thursday, May 19th

Cal 20s are fulfilling our yearly Race Committee duty on the Thursdays before and after the Bud Gardiner Bowl. Typically each boat's crew in all fleets are asked to perform RC duty, and in return they receive a 1st place for series standings. Since Cal 20s have only two per boat, we need to double up. So far we have Brew Ha Ha set for the 12th (might be my only first place this season!) and need another boat to participate. We have Poco Loco for the 19th and need another boat for that date, too. We chose these dates knowing some folks wouldn't feel like racing either Thursday before and after the Bud Bowl since we are already racing that weekend. So let me know if you can help either of those dates or would like to do RC later in the year.

Our Fleet's big annual race: BUD GARDINER BOWL

Saturday, May 14th and May 15th, 2005

The “Bud Bowl” is the second of five Cal 20 weekend races for our **2005 North Sails High Point Series**.

The Bud Gardiner Bowl is the longest running Cal 20 ocean race, and is the most prestigious race next to the Class Championship. Our fleet should have FULL participation, as I know for sure at least four boats from other fleets have already given early commitments to race with us. If you can only race one day, that's okay as we are looking to award prizes or raffle items single day participants, too. Who's going to get his or her name on the Bud Gardiner Trophy?

The post race dinner and awards will follow after racing on Sunday. If you liked the dinner we had for the Spring One Design, then you will be blown away with our Bud Bowl menu! Please give me notice on the number of friends and spouses who will be attending the dinner, so we have enough food. If you were lucky enough to win a free raffle prize at our Spring One Design, you'll be happy to know there will be more of the same at the Bud Bowl.

In case you didn't notice, the dinner was moved from Saturday to Sunday because Jim Murrell (*Huckleberry*, B fleet) and his fiancée Diane are getting married at the club on Saturday. After the schedule conflict was noticed Jim offered to postpone his wedding for another year, but Diane didn't care for that idea too much. The Cal 20 fleet, being the romantics that we are, volunteered to change our dinner instead.
