**COMMODORE'S CORNER.**

by: Andy Beggs, Commodore.

It's 2024, and welcome to it! This is my year at the helm for KHYC, and I am excited for this opportunity.

I will do my best for you this year, and hope that we all have a lot of fun along the way. Not everyone is going to agree with every decision I make, but if I'm doing my job right, most of you will. I'd like to start the year by explaining my priorities for the club.

First, I'd like to recommit myself and all of us to be welcoming at the KHYC. Yes, we're a private club for the benefit of members, but we're also part of a community that includes potential new members, friends and family of fellow members, and other guests that we host at our facilities. We need to work to make sure we are seen as good people doing good things for each other in our little corner of the Pacific. Please remember that a person at the club that you don't recognize is most likely a potential new member or a guest. **Welcome them!**

Second, as we proceed towards a new lease in the marina, we will need to step up our visibility in the community. Between the club and our Youth Foundation, we do a lot for the community, but we need to do better at getting recognized for this work and we need to do more. Our recent Holiday Boat parade is a great example: Pat Light organized a wonderful event and also secured us front page coverage in the Beach Reporter! That's great PR for us, and we need to continue our outreach to the City government, the local Schools, and the Harbor community as a whole. I'm looking for KHYC to be seen doing more and more in the community.

Following on that point, a major priority of our club for some time is reaching our allowed membership amount of 550. If we can hold to 550 members and maintain a wait list, we will be ensuring that our future

is strong and getting stronger. It will make budgeting much easier and our ability to increase services better. It will grow our new building fund quicker. Having a wait list will also increase demand to join, reinforcing the strength of the organization. All of us can play an important role in recruiting members! If you bring a candidate forward, register them at the office, and they join, you will receive \$500 food and beverage credit, and the new member will also receive a \$500 food and beverage credit. I'm hoping that this program will provide the nudge that you all need to lean into this effort. If all of us brought forward one candidate, we'd be at our capacity all the time! We will continue to invest in our current facility, even as we save for a new one. It's vitally important that we have a high-quality experience here at the club, which means lots of upkeep and replacement of older assets. Look for noticeable improvements around the club this year.

Finally, we are going to work to deliver amazing experiences for all of us. The King Harbor Yacht Club will look to compete in sailing, in fishing, and for recognition as a major club on the West Coast, and in the country. We will create cruising experiences and parties that will be indelible memories for all of us. This already started at the New Years Eve party which happened a few days before you received this Telltale, and continues with the Commodore's Ball on Saturday night, February 3<sup>rd</sup>. Its winter, and we're having this party at my favorite place, King Harbor Yacht Club! This party has been inspired by all my fellow members who made me jealous last year with cruising trips to the BVI's and other exotic locations. This will be a summer beach party in February. Please plan on joining in. Contact the office for more information. See you on Feb 3<sup>rd</sup>!

This is how we win: great kindness, great community, great club. If you are interested in participating in cruises around Southern California? Then, please be proactive!

**Happy New Year!**

## GOOD ADVICE.

by: James Lee, Vice Commodore.

So many great things happening at the end of 2023 at KHYC! The Christmas Regatta, Holiday Boat Parade,

Christmas Party and then, New Year's Eve Party! Another event in particular that is always a treat to see is the Annual Dock Removal. Having had to get to know the docks much more intimately this year, it was heartwarming to see the super response by volunteers to remove the docks safely and so efficiently. Special thanks goes to Jody Davis who furnished and drove the forklift making quick work of moving the docks around. Others who helped are Tom Priest, S/C Burr Hope, S/C Lee Coller, Gary Sofia, Tom Marland, Ski Tarnosky, Steve Ruffoni, Brian Lindquist, Tom Allen, Kelly McMartin, John Whittaker, Mark Scharoun and Chris Morris. Also helping S/C Greg Ronkainan, Steve Izant, Commodore Andy Beggs, Roger O'Conner, Dan Gonzalez, Mark Keller, Pat Lenehan, Tony Mallare, Don Souther and Director and soon to be Rear Commodore Denny Browne. Thank you to the Galley for providing coffee, donuts and lunch for all the volunteers!

As many of you know, I was scheduled to give a presentation on my Atlantic crossing on December 12 and I barely made it stepping off the boat in Saint Lucia on December 9 then trying to fly back home as soon as I could which ended up being midnight December 11. Plus, I had to create the presentation. I was very pleased to have made it in time and deliver a presentation that seemed to have gone well. Everyone had great questions and I felt like I was reliving the trip... I still hadn't quite gotten my land legs back yet! I will be repeating the presentation at the General Meeting on February 23 for those that didn't make this one.

In April 2023, I brought the owners to KHYC for brunch, while I was Rear Commodore. A huge thank you to House & Art Chair Rosie Vullo, Burgee Chair S/C Tracey McMartin, Committee Boat & Marks Jeff Chambers, Dock Master Tom Marland, Garden Chair S/C Francie Hope, Merchandise Chair Clara Jett, Port Captain Ski Tarnosky and Security Brian Hanhart. Your help and dedication are very much appreciated!

I'm so looking forward to working with everyone as Vice Commodore for 2024!

**Go KHYC!**

## VIEW FROM THE REAR.

by: Denny Browne, Rear Commodore.

Hope you're all on a fast recovery from a wonderful holiday season, and you're ready to jump back in, 2024!

The King Harbor Christmas Regatta last year was the best attended in a long time, with 41 boats entered and they all showed up! Our Famous King Harbor Boat Parade was next, and it also was another great success.

As I write this, we haven't had our KHYC Christmas Party or our famous New Year's Eve Party, but my letter is due today! They will both turn out to have been smashing successes and I hope to have seen many of you there for these annual signature gatherings at KHYC.

For those of you whom I have not met yet, I would like to share a bit about the Browne Family. My wife, Deb, and I moved to Redondo Beach in 1990 from Philadelphia, and after running a couple of marathons (the first one on a bet), sailing or golf seemed like a much...much better fit for me. Golf looked to be like the more time consuming sport (wrong!), so I took sailing lessons from Marina Sailing and someone told me that the best way to learn to sail was to race. Two Catalina 320s later, I bought RENEGADE, a Beneteau First 10R

with a friend (Jack Faucett) to pry him off Marty Burke's Bella Vita. I retired at the onset of the Covid shutdown, and we sailed a hundred days in the first year. These were mostly rabbit starts at S-Mark, with No Way, Hot Rum and a couple of others from time to time.

Serving as Handicap Racing Fleet Skipper, under Race Chairs S/C Burr Hope in 2021 and R/C James Lee in 2022 taught me about race management and got me acquainted with a lot more KHYC members. Serving as a Director last year, and Rear Commodore this year are an honor. Rear Commodore was enticing, as Junior Staff Commodore Dorian Harris, Commodore Andy Beggs, Vice Commodore James Lee and I share a love for racing and it's a pleasure to work with them all.

But KHYC is far from just sailing, our club has many fleets and activities to entice us all. I'm eager to learn more about all of them.

Special thanks go out in 2024 to Rosie Vullo, Tracey McMartin, Sandy Bartiromo, Ski Tarnosky, S/C Francie Hope, Jeff Chambers, Clara Jett, Greg Ronkainen, Tom Marland and Brian Hanhart, Chairs of House and Art, Gardening, Burgee, Race Marks, Docks, Merchandise, Port and Security. I look forward to working with this team of experienced leaders and meeting a lot more of you!

**Happy New Year, KHYC!**

## 2023 BOAT PARADE

by Pat Light., Holiday Parade Chair.

This year's Holiday Boat Parade was nothing less than **SPECTACULAR**. I was worried when only three boats were registered a week out, but someone had warned me the boaters would wait to the last week. Sure enough, that is exactly what happened! In the end, we had 22 boats plus a couple of small boats and kayaks that joined the Saturday night fun. This year's Holiday Boat Parade theme, "**It's a Wonderful Life**", was jointly presented by King Harbor Yacht Club (KHYC) and Port Royal Yacht Club (PRYC), with sponsorship from the King Harbor Association, Portofino Hotel, and Chevron Corporation.

### So here are the 2023 Holiday Boat Parade Trophy Winners:

- **Best Overall Award:** Aaron Tavakoli, on his sailboat, "**Kielana**"
- **Best Costumes & Music:** Julie Coll, "**Flying Fiche**"
- **Best Exceptional Spirit:** Michael Leighton, "**Oasis**"
- **Best Sail Over 32':** Neal Harkleroad, "**Get Busy Livin**"
- **Best Power Over 32':** Mike Grannis, "**Triple Net**"
- **Best Sail Under 32':** Michael Thorpe, "**Cirrus**"
- **Best Power Under 32':** Paul Zambriski, "**Just Right**"

## CRUISING FLEET.

by: Katie Gonzalez, Cruising Fleet Skipper.

In December, the Cruising Fleet celebrated the holidays together at the King Harbor Holiday Boat Parade followed by a festive holiday brunch buffet the next day with over 75 fleet attendees.

The Fleet also hosted a fascinating presentation by Rear Commodore James Lee of his 2,700 nm transatlantic crossing in the 2023 Atl Atlantic Rally for Cruisers (ARC) from Las Palmas, Gran Canaria to Saint Lucia aboard a new Excess 14 catamaran.

All KHYC members are invited to join the Cruising Fleet. Boat ownership is not required. Annual fleet dues are only \$20 per membership. The Fleet meets on the second Tuesday of the month with no-host cocktails at 6:00pm, potluck at 6:30pm and meeting at 7:00pm. We are currently working on our 2024 fleet calendar and welcome all ideas and volunteers to help with planning cruises and events. If you are interested in joining the fleet or have any ideas or questions, contact 2024 Cruising Fleet Captain Katie Gonzalez at [khyc.cruisingfleet@gmail.com](mailto:khyc.cruisingfleet@gmail.com).

## NIGHT WATCH FLEET

by Sara Martin, Skipper.

*"After all the gifts are opened and the thrill of the party ends, recall the presents are not the highlight, but 'tis the company of friends." Saint Goth Barney, adopted patron saint of the NWF Holiday Gift Exchange.*

As we reflect on the year that zoomed by for the fleet, it is fitting that the spirits of sharing, giving, and play were all on full display at our Holiday Party and White

Elephant Gift exchange in December. Pat Light procured our turkey and ham entrées, while over 40 other members and guests

brought their favorite appetizers, sides, and desserts. I have to admit, Robyn Solimando's hot mulled wine was my favorite, even though I later spilled it all over myself and the floor, when my [oversized clip-on] earring fell off as I was speaking to the crowd — thank you, Tracy Williams, for your speed-of-lightclean up on Aisle Sara!

The gifts in the exchange were lovely, and the 4' long framed octopus print was one of the more intriguing items that changed hands a few times!

Next year's fleet officers will be meeting to plan how we'll best fulfill Night Watch traditions and create fun, revealing new events. After this year's Ballroom Line dancing, Tapas Demo with Chef Marcos, behind the scenes tour at the Aquarium of the Pacific, a baby shower for 3<sup>rd</sup> Officer Tanya Rosser, Flying Bowline madness, and Holiday Boat Parade decorating, we have our work cut out for us!

The NWF does not meet in January. We invite all KHVC women to join us on Tuesday, February 6<sup>th</sup> for our next meeting. We start with a 6:30pm potluck, followed by a 7:00-ish meeting...and maybe a surprise program!

As always, information about our Fleet, scheduled meetings & programs, as well as contact info for our Fleet's officers, may be found online at <https://khyc.org/group/pages/night-watch>.

*All the best to everyone in 2024!*

Tanya, David and baby Emerson demonstrate how to always eat together as a family!

Tom Marland displays his gift from the exchange, which was later taken by some one else.

## MERCHANDISE

by Clara Jett, Merchandise Chair.

This month we are featuring our hard-working Port Captain and Dock Master, Ski Tarnoski, who happens to have been a sailboat racer and for a while, he was also a power boater (no body is perfect). But now, there is a rumor going around, that the only reason he got those jobs is because of the dapper clothes he wears. Look at that wind breaker! How does he do it?

*Sorry Ski, but it is a small community!*

## FIRST MATES.

by: Kathy Smith

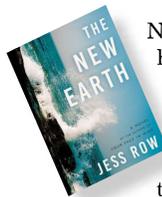

The First Mates had a lot of fun decorating the club in late November. Manager Mike and his team made sure the club provided a nice luncheon for us in return -- not a bad gig overall! A few brave men even showed up to help us -- Thank you to Scott, Gene, and Ivan! The real test will come in late December when we have to take it all down! Sigh! We will not be having a January meeting, but we will be back in force for our February 2<sup>nd</sup> Installation Luncheon on the upper deck. If you are not currently receiving the FMI emails but would like to, please contact FM Secretary Kathy Smith at [kmws@aol.com](mailto:kmws@aol.com). Thank you!

## BOOK CLUB.

by: Rafael Fernandez.

In December we reviewed *"The New Earth"* by Jess Row. At first, while reading the first couple of chapters I thought: Oh no! Not another book about the New York Upper West side by another author complaining about his family's point of view of the world no less. However, even in this day and age, observing what is going on in the world; a negative point of view is inevitable. But still, how can he say such things about his own family? I ask!

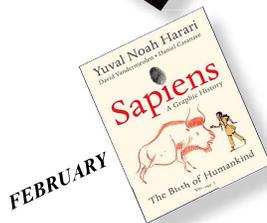

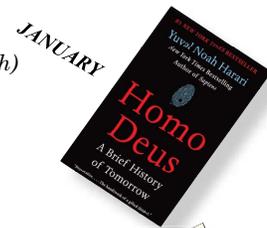

Nevertheless, as it often happens with some authors, after explaining (or trying to explain) where their own point of view is coming from; they finally latch into the actual book's subject and the narrative begins to make sense while the story becomes relevant. Then, and only then, reading such a book becomes somewhat interesting. *But officially, there is no hall of fame for unhappy families. Even the staunchest Russian novelist*

*might be hard pressed to match the particular gift for dysfunction that the Wilcoxes (subjects of Jess Row's sprawling met a fiction - The New Earth) display with such impressive spirit de corps across nearly 600 dense and often wildly discursive pages. Death and divorce are a given, immigration, and crises of faith crowd the margins competing with the thousand-year conflict in the Middle East and the Zapatistas in Mexico. Incest eventually enters the chat, and race hovers over it all, a quivering question mark. Despite their Anglicized name, the Wilcoxes are an immediately recognizable type, New York's Upper West Side Jews long and comfortably defined by the bourgeois markers of their "lox-herring-and-Sunday-Times tribe", who have fully surrendered to the yuppified '80s!"*  
**New York Times review.**

It seems to me that the thoughts Jess Row had while writing this book were: "Let me shock them, let me embarrass them, let me display my erudition!"

## UPCOMING REVIEWS:

## FISHING FLEET

by: John Whitaker.

On December 2nd, the Fishing Fleet had the annual White Elephant Holiday dinner. Surf and Turf was prepared by chef Marco and was over the top, really good. Everyone commented on how much they enjoyed the lobster. Frank Hassel, our president, gave his thoughts on the past year and on events for 2024; while Graham Hebson discussed the upcoming Cabo trip and invited everyone to join in the fun at the end of January.

Get your new fishing license right after Jan.1. Because with the water colder out front, you can go deep fishing for a few bass, or give some serious thought to coming with the fleet to Cabo: For sun, good fishing and a margarita for three.

On the fishing front, not too much is going on locally, but the surf fishing has been excellent when the sur is down.

Remember that the rock cod season ends December 31st, so don't get caught with a cod on your boat after that!

After dinner, the White Elephant exchange was led by Gentile Smith. She did her usual fabulous job and lots of cool gifts were opened and stolen. Everyone went home with a treasure or a bottle to make the Holidays Brighter. Our next meeting will be the first Monday in February. No meeting in January!!! **HappyHolidays and a fishy New Year!**
