COMMODORE'S CORNER.

by: Andy Beggs, Commodore.

Boy, that accelerated quickly, I mean that really got out of hand fast!

reoccurring donation through your monthly KHYC bill. Please talk with the office if you'd like to help! Also, I will be auctioning off an **extremely valuable** asset at the Commodore's Party to help!

Sadly the other impact of the storm was that the City had no choice but to shut down the club for 4 days, including the New Year's Eve Party and New Year's day brunch. Fortunately, we just rescheduled them for the next weekend and had an amazing time! One thing I take away from all of this is that while our views are great, this little pile of rocks on which the Yacht Club is built; is certainly **not** conducive to a for-profit restaurant or hotel building. Imagine the reaction if the police shut down the Shade Hotel for New Years Eve? It would be pandemonium!

The other notable event every January is the first race of the year: DRYC's Malibu Return race, aka Malibu-and-motor-home race. Triggerfish V set out with a hearty crew of KHYC racers, enjoying ourselves as always. The breeze started light at 6 knots, dropping down to 2 knots, then 1 knot, before disappearing entirely. TFW ran out of time to finish ahead of the deadline and motored home. **It was Déjà vu all over again....**

Another important date for your calendar: The Commodore's Cruise to Cat Harbor! KHYC is renting DRYC's Schultz's Landing in Cat Harbor for the weekend of June 28-30, and I hope to see everyone there. Have a boat? Sail to Cat Harbor and pick up a mooring, or stay on your own mooring ball at Isthmus Harbor and walk the mile to join the parties. Don't have a boat at all? No Problem! Take Catalina Express to Two Harbors and either tent camp at Shultz's Landing or reserve a room at the Banning House. **No one should miss this great weekend!**

This is how we win: great perseverance, great events, great members: **King Harbor Yacht Club!**

We didn't even make it to the New Year before the storm waves paid us a visit. Starting on December 29th and going all the way through New Year's Day, the West Yard and parking lot were absolutely pummeled by wall after wall of water. The 15'+ waves on top of a high tide of 6' was just too much for the break wall to hold back. Fortunately for us, wise members saw what was coming and hoisted the aluminum gang plank ramp up off the remaining winter docks, which probably saved us \$30,000. We did have one dock piece get smashed apart, and a portion of another, but are well underway to get this put back together again.

Erika Lieser jumps out of the floodwaters in Optiland.

Painfully, for the second time in less than 12 months, the King Harbor Youth Foundation Plotis, FJs, racks, and trailers ended up in a twisted pile of debris.

The Plotis held up pretty well, but one trailer piece went through an FJ bow like a hot knife through butter.

Those kind KHYC members who are motivated to help KHYF put ourselves back together (again) can make a tax-deductible donation or a monthly

GOOD ADVICE.

by: James Lee, Vice Commodore.

January 2024 began with a storm that postponed our NYE Party and Commodore's Brunch by one week.

But quick thinking and quick action by the front office personnel, helped Robyn Solimando (Social Chair) and Julie Moore (Music Chair) to make the following weekend as eventful as expected, **or more!**

Thank you to all who came to the NYE party reboot and the new brunch date; making them a blast! We saw lots of smiles at the *generous pours* from the Flag Officers, and of course, we enjoyed giving them.

Meanwhile, the Super Bowl Party on February 11, starting at 2:30pm, is on our sights!

The 2024 race season got started with DRYC's Berger/Stein #1 Malibu and Return Race on January 6. Twelve KHYC boats registered: No Way!, Soulshine, Bella Vita, Renegade, Expression Session, Triggerfish, Huckleberry2, Vela, Blue Haven, El Encanto, Mare'zia and Hopscotch. However, although it was a beautiful sunny day, wind conditions were very light and even with the shortened courses, many boats couldn't finish. The good news is that El Encanto (Jeff Gentry) and Mare'zia won 1st places in the Cruising B and A classes, respectively! Congratulations! And thank you to all the KHYC boats for a solid showing up, beginning the 2024 season with what appears to be the

start of a great 2024 year for KHYC racing!

The SCYA Installation and Awards at West lake Yacht Club on January 13 was an awesome event with S/C Mark Hansen, Deborah Hansen, S/C Lee Coller, Lorraine Coller, Chris Gillum, Liz Hjorth, Jennifer Paquette and myself for KHYC. Congratulations to SCYA Secretary Lorraine Coller for receiving the SCYA Commodore's Award and for S/C Lee Coller moving up to SCYA Vice Commodore! S/C Mark Hansen is also Staff Commodore for SCYA!

Due to a superb job by Katie Gonzales putting together the award submission, KHYC was awarded the **2023 Senior Club of the Year!**

The ASMBYC Installation Brunch was hosted by KHYC on January 14 and congrats and good luck to Zafar Khan who is their Commodore for 2024! R/C Denny Browne was M/C, Commodore Andy Beggs provided a warm welcome and David Doeh, the ASMBYC High Point Series Coordinator and past winner of ASMBYC Yachtsman of the Year, awarded the high point series trophies. The Home Harbor Perpetual Trophy was awarded to Mare'zia. KHYC got bragging rights for the club with the most high point series points! The next high point series races are Berger/Stein #2 South Bay Tour on March 2 and our KHYC Spinnaker Series #1 Stoney Point on March 16.

"A big congratulations to our very own Parker Johnson who won the ASMBYC Youth Award!" **KHYC Competes!**

2024 Club Leadership...

VIEW FROM THE REAR.
by: Denny Browne, Rear Commodore.

We have had exciting January rough weather to deal with this year!

Our docks were imperiled again, even with most of them removed. But thanks to Port Captain Ski Tarnoski, S/C Greg Ronkainan, Tom Marland and Jeff Chambers who figured out how to mitigate the risk in the middle of the storm, only some minor damage occurred.

We were fortunate that the recent King Tide, right on the heels of our previous storm, didn't inflict more damage on the docks. Both high and low tide levels are exaggerated during a King Tide, and our west dock actually finds itself on the bottom. This creates damage to the floats and difficulty for the Youth Foundation sailors to launch their boats.

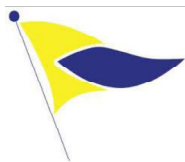

As some of you are aware, dredging of the harbor is scheduled to begin on or about February 1st and it will take about six weeks to complete. This will mitigate some of the risk to the docks during future storms, and will help

the Youth Foundation sailors to spend more time on the water and less time trying to get their boats into it. The dredging will remove about 60,000 cubic yards of bottom material from the harbor and relocate it to the beach along the Avenues. This will be a big help, as our end of the harbor has been filling up with sand and rocks from the storms which push sand through the breakwater. The dredging equipment will begin to arrive in the last week of January.

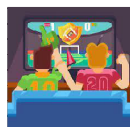

How about the new paint job, the new glass door and our beautiful gardens? Our club is looking better than it has for years. Special thanks to House and Art Chair Rosie Vullo and John LoBue, for doing such a great job rooting out the problems and selecting and managing the contractors to get our club looking beautiful. And special thanks to S/C Francie Hope and S/C Burr Hope for making our gardens more beautiful than I ever remember them being, and for rescuing them from the saltwater assault that we seem to be dealing with from time to time.

This is indeed a special place to be, and I look forward to seeing you around the club soon!

Celebration of Life for Craig Howard, KHYC Member # 1804 Saturday, February 17th, 2024.

Burial at Sea - Boats will leave the KHYC docks at 9:30 am. All of Craig's family and friends are invited to attend. Club members with boats are needed. Please call the club to offer the use of your boat or to let them know you want to go out on a boat. **Celebration of life at 11:00 am** - There will be a buffet, appetizers and an open bar on the upper deck of KHYC. All of Craig's family and friends are invited to attend. Craig enjoyed the KHYC and had been an active member since 1999. He created many friendships at the club and was a member of the Fishing and Power Boat Fleets. He was not only skilled in navigating the waters, but also in bringing joy and happiness to those around him, who were sharing his adventures!

CRUISING FLEET - 1.

by: Katie Gonzalez, Cruising Fleet Skipper.

In January, the Cruising Fleet held its Installation of New Officers: Fleet Captain Katie Gonzalez, Secretary Jaime Gallagher and Treasurer Rich Boyle. The Fleet has many exciting events and cruises planned this year.

All KHYC members are welcome to attend the following upcoming events.

Tues February 13th 7:00pm Lower Deck. Presentation on South Pacific Sailing Adventures presented by Kellie Fennessy and Mike Priest.

Tues March 12th 7:00pm Upper Deck. Presentation on Cruising in the Channel Islands presented by KHYC Members V/C James Lee, Mike Galloway, Mark Folkman and Keith Angel.

KING HARBOR YACHT CLUB CRUISING FLEET

INVITES ALL KHYC MEMBERS TO A

***Special Presentation
South Pacific Adventures
on S/V Dash***

**Tuesday
February 13th
7:00pm
Reinhardt Room**

Kellie Fennessy and Mike Priest departed Marina del Rey in March 2018 and headed straight to the Marquesas in French Polynesia. S/V Dash has been their home for the past six years having visited French Polynesia, Cook Islands, Niue, Fiji and New Zealand. They will share snippets of their South Pacific sailing adventures and as full-time cruisers. And they will welcome questions on how you too can get out cruising.

CRUISING FLEET - 2.

by: Katie Gonzalez, Cruising Fleet Skipper.

Saturday: Dinner - Lower Deck.

Sundays: 9 am to 2 pm:
Breakfast and Lunch - Lower Deck .

RESERVATIONS: Are recommended, but not required. Please make your reservations - email office@khyc.org
Subject line: Dinner reservation or Event RSVP.

NIGHT WATCH FLEET

by Sara Martin, Skipper.

After our usual January hiatus, the Night Watch Fleet kicks off 2024 with our meeting on **Tuesday, February 6th**, where S/C Norie Martin will swear in our 2024 Officers. Sara Martin has graciously agreed to return as our irrepressible Skipper, supported by a great team -- plan on coming to the meeting to welcome them to the tasks ahead!

The group will also discuss plans for the rest of the year. We welcome all women of KHYC to participate in our activities, which include: hands-on development of our boating skills; fun and creative art; and personal pampering programs.

We have also been known to take a trip or two; over the years we have taken the Wine Train to Santa Barbara and weekend trips to Catalina Island. In addition to handling guest registration at KHYC's Opening Day, the NWF also typically hosts an annual Cinco de Mayo party. We can't wait to see what this year has in store for us!

Our specialty is fun and festivity, and all KHYC women are always welcome to attend our meetings. We typically start our potluck dinner around 6:30, followed by our meeting. Keep up to date on events by bookmarking the NWF webpage at <https://khyc.org/group/pages/club-fleet>.

MERCHANDISE

by Clara Jett, Merchandise Chair.

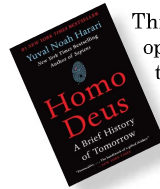

HAPPY VALENTINE'S DAY from the Merchandise Store. Our model this month is our S/C Norie Martin. She is well known throughout the club, involved in many fleets, received many awards, and is the first mates mixologist, an all around yacht club member. She is modeling a pale yellow long sleeve tee with a fluffy oatmeal vest. Looking good Norie. A new year and you probably all need new hats, windbreakers, sweatshirts & shirts. Ladies, yacht club scarfs are now available for opening day. Email: tajett@earthlink.net.

BOOK CLUB.

by: Rafael Fernandez.

In January we started the year by reviewing **"Homo Deus"** by Yuval Noah Harari. The book sets out to examine possibilities of the future of Homo Sapiens. The premise outlines that during the 21st century, humanity is likely to make a significant attempt to gain happiness, immortality, and God-like powers.

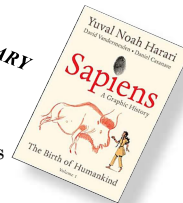

Throughout the book, Harari openly speculates various ways that this ambition might be real and in the first 78 pages of this book's introduction Harari wrote so much information in a small expanse of a few paragraphs that the book seemed overbearing! So at first, the general consensus was that we should have read *Sapiens* first because it was written before *Homo Deus* and because maybe that information would have made this book's introduction easier to read. But on second thought, I think he did that on purpose to create tension and emphasise the calamitous condition of the world he was describing in this book.

Then, when part one begins with: *Homo Sapiens Conquers the World* the tone of the writing style relaxes and the book becomes easier to read and you realize that it does not matter whether you read *Sapiens* before or after *Homo Deus*, as the author does repeat the pertinent information in the second book, as he develops the subject related to the first book... Like a movie flash back!

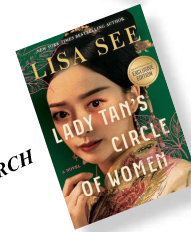

While researching about **"Sapiens"** I ran into the following remarks: *"It is an iron rule of history that what looks inevitable in hindsight was far from obvious at the time."* Harari's hindsight in *Sapiens* is a wide 70,000-year canvas, a grand-scheme history of homo sapiens and a work of sometimes jaw-dropping surprises. How exciting that Harari has reinterpreted this unconventional, provoking and thoughtful book into graphic narrative form. The illustrations and the distillation of the arching story to a cinematic telling will capture new readers and captivate those already familiar". **Barnes and Noble.**
